

Invitation Letter

Dear esteemed delegates,

On behalf of the Securitization Forum of Japan, I am pleased to announce our endorsement of **Finfo GLocal Co., LTD (財視中国)**'s 2nd **Structured Finance and ABS China 2016** to be held in Shanghai China on 7 September 2016. We believe this conference to be an excellent opportunity to learn about the latest developments in the regulation of the securitization market in Asia as well as hearing innovative thinking and applicable advice from some of the industry's top individuals.

The Securitization Forum of Japan (SFJ) was founded as an unincorporated nonprofit organization in 2005 and has been operating as an incorporated nonprofit organization since 2008. The SFJ aims to contribute to the sound development of the asset securitization market in Japan and to carry out the following operations: (1) research and study of asset securitization; (2) exchanges and cooperation with internal and external organizations, etc. involved in asset securitization; (3) diffusion and enlightenment of asset securitization; (4) policy recommendations concerning asset securitization; and (5) any other operations incidental or relevant to the foregoing. For more information, please visit <http://www.sfj.gr.jp/e/index.html>.

We look forward to meeting you all at **Finfo GLocal Co., LTD's 2nd Structured Finance and ABS China 2016** and we have every confidence that you will find it to be informative and productive and an invaluable opportunity to network and forge new and fruitful partnerships.

Yours sincerely,

 
Hideomi Miyazawa

Senior Research Fellow, Securitization Forum of Japan
